

Southeastern Medical Supply, Inc.

Why buy from us?

- 1.) We are located in the USA. We are not located out of the country with a mail box address inside the USA.
- 2.) We ship from the USA. We stock all our products in our warehouse and ship within 24 hours of receipt of your order.
- 3.) We service our products in the USA. You do not have to send your item to China to get it serviced.
- 4.) We offer FREE SHIPPING with every order placed online.
- 5.) We have a US phone number which you can call to ask questions or order your products.
- 6.) We have actual offices and a warehouse in the USA. We do not operate out of a garage or basement like some web-only business.
- 7.) We only sell FDA 510-K (Class II Medical) released products. Make sure you know what you are buying.
- 8.) We are a registered DOD vendor, incorporated in the USA and follow US rules and regulations.
- 9.) As a registered DME, we can assist you with Insurance reimbursement.
- 10.) We use the highest level of security to protect your information and are certified secure by both McAfee and Trustwave.
